

The Dal-Metro Chapter of the Texas Educational Diagnosticians' Association (TEDA) will award one \$1,000.00 Professional Scholarship to a deserving **professional** who is currently working with students served by special education programs. This scholarship could be granted to aid the applicant in pursuing a degree in special education or to further develop skills in working in the area of special education, such as Educational Diagnostician Certification.

Please distribute the application guidelines in your district to worthy coworkers you feel might wish to apply. Ask them to return the completed application packet, postmarked by May 5, 2020.

Thank you,
Georgene Moon
Dal-Metro TEDA Treasurer
